LAW ENFORCEMENT TORCH RUN

We encourage everyone to come out and support the law enforcement officers who are participating in the Law Enforcement Torch Run starting June 15th. The route information and contact information is posted on the website at www.soo.org under the Torch Run section. We want athlete involvement in as many of the legs as possible representing their local organizations in their team shirts. Athletes, coaches, etc. should not expect to receive a Torch Run shirt as this is a fundraising event for the officers who pay to participate. Athletes involved in a significant portion of the Torch Run may receive a shirt. For more information and questions, please contact Paige Ludwig at pludwig@soo.org or 614.239.7050.
