RE: 2017 State Golf Tournament Quota Information

The Twenty-third Annual State Golf Tournament will be held September 19-20, 2017 at the Meadowlinks and Golf Academy in Cincinnati. Both unified, two-person, and individual competition will be held. With the increasing numbers of golfers in the state, we are forced, again this year, to quota this state event. If you are interested in sending unified teams and/or individual golfers, you will need to return a Quota Request Form by July 26th. Organizations with quotas will be sent specific tournament information and entry forms. Cost per athlete, partner, and coach is \$25.00 which includes lunch at the golf course on the day that you compete. All housing and other meals will be on your own. Organizations will be assigned to compete on either Tuesday, September 19th or Wednesday, September 20th. Hopefully, we will be able to give all organizations the quotas they request. Entry criteria will require three (3) scores over nine holes for each unified team and singles athlete. Unified teams and individual golfers will also be required to play in one of the Area Qualifying golf tournaments being held prior to the state event. Please contact your Area Director for the date and location of your Area tournament. Lastly, we will only accept teams/individuals whose entry scores average less than 3 times the par for that qualifying score.

2017 STATE GOLF TOURNAMENT QUOTA REQUEST FORM

Directions: Fill in this Quota Request Form listing the number of unified double teams and single golfers you want to take to the State Golf Tournament. The format for unified double teams will be alternate shot. In alternate shot, the partner and athlete will predetermine which holes odd or even, they will tee off from. Singles golf will be nine holes, where each golfer plays his/her own shot (no handicap). Cost will be \$25.00 per athlete, partner, and coach which includes lunch at the golf course on the day you compete. Please mail back or fax this form by July 26th to:

County _____

Organization _____

1. Number of unified doubles teams requested: _____
2. Number of singles golf quotas requested: _____
3. How many athletes and partners are training in golf in your program? _____

I understand I will receive entry information and forms for the quota I receive and that I will need to be able to submit three (3) scores for my teams and/or individual golfers by the August 29th entry deadline. I further understand that my unified double teams and individual golfers must play in one of the Area Qualifying tournaments held prior to the state event. Also, I understand that I will only be able to enter teams/individuals whose entry scores average less than 3 times the par for that qualifying course. For example, a unified team or individual golfer submitting three qualifying scores on from a par golf course must be able to average less than 108 for those three scores. Lastly, I understand that all partners and coaches attending this event on behalf of my local organization are, by definition, considered Class "A" volunteers and as such must have approved Class "A" volunteer applications on file with the State Office and have completed the on line Protective Behaviors course by the date of entry deadline August 29, 2017.
